Tyrone Power Sushi Team Building and Client Relationship Building Experience A creative and fun way to get teams working together!

Tyrone Power offers sushi and sashimi making events for groups of 10 and more. The events are held at your premises and take around two hours.

Companies can either choose to have their staff to work together in teams or individually to encourage competitiveness, team work, creativeness or communication.

All equipment and ingredients are provided and the course participants get to take home what they make or alternatively it can be held prior to lunch and everyone gets to sit down and eat together to enjoy the fruits of their labour.

Tyrone Power will create a fantastic team building day with lots of creativity and laughter. A great way to motivate your work force

Benefits

Unique and creative team building event

Fun and healthy

Fast and easy

Cost effective

We come to you
